OVERVIEW

M3M Industrial Plots in Sector 9, Manesar, Gurgaon present a lucrative investment opportunity in the fast-growing industrial hub of IMT Manesar. These plots are ideal for setting up manufacturing units, warehousing facilities, and logistics operations.

SECTOR B

AMENITIES

The project is equipped with advanced infrastructure and modern facilities to ensure safety, convenience, and sustainability. With 24/7 CCTV surveillance, residents and businesses enjoy complete security and real-time monitoring. Wide internal roads have been thoughtfully designed to provide smooth vehicular movement and easy accessibility across the premises. A dedicated 24×7 power supply ensures uninterrupted operations, while the rainwater harvesting system promotes water conservation and sustainable living.

LOCATION ADVANTAGE

Strategically located, the project enjoys excellent connectivity through major transport corridors. The KMP Expressway (Kundli–Manesar–Palwal) ensures smooth regional connectivity by reducing traffic congestion and enabling faster movement of goods and workforce. Its proximity to the Delhi–Mumbai Industrial Corridor (DMIC) further boosts industrial growth, logistics efficiency, and future-ready infrastructure.
